

New to SPI? You have an ALLY

Whether you are considering a move to the Springfield, Illinois area or you've already arrived, there is no better way to learn about a new place than to hear directly from those who live, work, and play here. **That's how our Thrive Ally team is eager to assist.**

A Thrive Ally is a passionate member of the Springfield and Sangamon County community who has volunteered to help potential and new residents find their fit and ease transition to the area. You can leverage their knowledge and experience to help take the guesswork out of acclimating to your new community!

Connect with a Thrive ALLY to ask questions, gain advice or recommendations, meet new people – and get involved. For everything from entertainment to career networking and churches, each Thrive Ally comes from a diverse range of ages, ethnicities, industries, lifestyles, interests and experiences. They are all committed to helping you Thrive In SPI.
